Hi Brad,

Per my prior communication, we've now transitioned David Anderson into the GSH Project Manager for Oxy Wichita Corrective Action. In addition, Glenn Springs Holdings is relocating from Dallas to Houston, where David has already taken up residence. I don't know if we need to provide any further formal notice on this, however going forward we request that EPA correspondence be directed to the below contact for David in place of mine - seems like the CMS WP approval we recently received from you is a nice letter to go out on, thanks!

David's new contact information is:

David W. Anderson  
Glenn Springs Holdings, Inc.  
5 Greenway Plaza, Ste 110  
Houston, TX 77046
